Email address	Contact	36 months
Phone number	Contact	36 months
IP address	Fraud prevention	36 months
Purchase date	Purchase ordering	36 months

5 The purpose, method and legal basis of data management

5.1 General Data Management Policies

The data management of the activity of Mr.Nilsz Kft is based on a voluntary contribution or a statutory mandate. In the case of data management based on voluntary contributions, the data subjects may withdraw their consent at any time during the processing of data.

In some cases, the management, storage, and transmission of a particular set of data are mandatory by law 4, which will be specifically notified to our customers.

We would like to draw the attention of the information to Mr.Nilsz Kft that, if they do not provide their personal data, the data supplier is obliged to obtain the consent of the person concerned.

The data management principles are in line with existing data protection legislation, in particular:

- 2011 CXII. Act on Information Self-Destruction and Freedom of Information (Infotv.);
- Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016 on the protection of individuals with regard to the processing of personal data and on the free movement of such data and repealing Regulation (EC) No 95/46 / (General Data Protection Regulation, GDPR);
- Act V of 2013 - Civil Code (Civil Code);
- Act C of 2000 on Accounting (Accounting);
- LIII. Law on the Prevention and Control of Money Laundering and Terrorist Financing (Pmt.);
- 2013 CCXXXVII. Act on Credit Institutions and Financial Enterprises (Hpt.).

6 Physical storage of data

Your personal information (that is, the data that may be associated with you) can be treated in the following way: on the one hand, technical data on your computer, browser, web address, visited pages, on the other hand, you may also provide your name, contact details or other information if you intend to contact us personally using this site.

Technically captured data during the operation of the system: the data of the computer of the person concerned generated during the voting and which Mr.Nilsz Kft system records as an automatic result of the technical processes. Data that is automatically recorded will be logged automatically when entering or exiting, without the particular statement or action of the person concerned. This data can not be linked to other personal user data except in cases that are legally binding. Only Mr.Nilsz Kft has access to this data.

8 Customers' rights and forums of enforcement

You may request the information concerned to handle your personal data and may request the rectification of your personal data or, with the exception of mandatory data, cancellation, revocation, discretion and right of protest as indicated in the record and the above mentioned contact details of the data controller.

8.1 Right to be informed

Mr.Nilsz Kft shall take appropriate measures to ensure that all information relating to the processing of personal data referred to in Articles 13 and 14 of the GDPR and to Articles 15 to 22, and Article 34, in a concise, transparent, comprehensible and easily accessible form, in a clear and unambiguous manner.

8.2 Right to access

The data subject is entitled to receive feedback from the data controller as to whether his or her personal data is being processed and, if such data is being processed, has access to personal data and the following information: the purpose of data management; the categories of personal data concerned; the categories of recipients or recipients with whom they have been or have been subjected to personal data, including recipients from third countries or international organizations; the intended duration of the storage of personal data; the right to file a correction, cancellation or retention of data, the right to file a complaint addressed to the supervisor; data sources; the fact of automated decision making, including profiling, as well as the logic used and the understandable information on the significance of such data management and the likely consequences for the data subject. The data controller shall provide the information within a maximum of one month from the submission of the application.

8.3 Right to rectify

The person concerned may request the rectification of inaccurate personal data handled by Mr.Nilsz Kft and the completion of incomplete data.

8.4 Right to delete

In the event of any of the following reasons, the person concerned has the right, upon request, to delete the personal data relating to him, without undue delay, to Mr.Nilsz Kft:

- personal data is no longer needed for the purpose for which they have been collected or otherwise handled;
- it has touched the consent of the basic mapper of the data management and has no other legal basis for the data management;
- the person concerned protests the data handling and has no prior legitimate reason for data

- handling;
- the personal data was unlawfully handled;
 - the personal data should be deleted for the legal obligation provided for by the law applicable to the data controller in the Union or the Member States;
 - the collection of personal data was made with the provision of information society services.

Deletion of data can not be initiated if data management is required: to exercise the right to freedom of opinion and the right of access; the fulfillment of an obligation under EU or Member State law applicable to the data controller for the processing of personal data, or for the performance of a task carried out in the exercise of public authority exercised in the public interest or on the data controller; for the purpose of archiving, scientific and historical research or for statistical purposes in the public health field, in the public interest; or for the submission, validation or protection of legal claims.

8.5 Right to restrict data management

At the request of the person concerned, Mr. Nilsz Kft limits the processing of data if one of the following conditions is met:

- the person concerned disputes the accuracy of the personal data; in this case, the restriction concerns the period of time that allows the accuracy of personal data to be verified;
- Protestant protested against data manipulation; in this case, the restriction applies to the duration of determining whether the data controller's legitimate reasons prevail over the legitimate grounds of the party concerned.

If data processing is restricted, personal data may be handled only with the consent of the person concerned or the submission, enforcement or enforcement of legal claims or the protection of the rights of a natural or legal person, or in the public interest of the Union or of a Member State .

8.6 Right to data portability

The data subject shall have the right to receive the personal data that he or she has accessed to the data controller in a fragmented, widely used machine-readable format and transmit such data to another data controller.

8.7 Right to protest

The person concerned is entitled to object at any time to the processing of data necessary for the execution of a task performed in the public interest or in the exercise of a public authority exercised on the data controller for the purposes of his or her own personal situation or for the treatment of the legitimate interests of the data controller or a third party, including profiling based on those provisions too. In the event of a protest, the data controller may not process personal data unless it is justified by compelling reasons of lawfulness that prevail over the interests, rights and freedoms of the person concerned, or which relate to the submission, enforcement or defense of legal claims.

8.8 Automated decision-making in individual cases, including profiling

The data subject shall be entitled to exclude the scope of a decision based solely on automated data management, including profiling, which would have a bearing on him or would have a significant effect on them.

8.9 Right to withdrawal

The person concerned has the right to withdraw his consent at any time.

8.10 Right to court

In case of breach of his or her rights, the data subject may turn to the court. The court proceeds out of court.

8.11 Privacy Policy Procedures

Complaint with the National Data Protection and Information Authority can be used:
